

I make a commitment to God and to Alexander Christian Academy to give \$\_\_\_\_\_ by the 10th of each month for the advancement of His school and as an investment for the education of my child(ren) for the 2023-2024 school year. In addition, I will honor my commitment to attend monthly parenting classes and to volunteer a minimum of 10 hours each semester and pay curriculum fees on time. I understand that Alexander Christian Academy is a private school; attendance is a privilege and not a right. Alexander Christian Academy reserves the right to require the withdrawal of a student at any time if such action is deemed necessary. The value for tax purposes of your child’s education is approximately \$4,000 per child in addition to curriculum and materials needed for their education. Anything given in excess of this amount as a donation would be considered a tax deductible donation.
